**ATTACHMENT "A"**

On February 1, 2018, at approximately 7:10 am, while performing line watch duties, a Border Patrol Agent from the McAllen Border Patrol Station responded to sensor and camera traffic south of the town of Los Ebanos, Texas. Another Border Patrol Agent who was working surveillance in the area advised that a brown X-terra was leaving the area at a high rate of speed. As additional agents responded to the area to assist, one of the Border Patrol Agents located the brown Nissan X-terra driving north out of Los Ebanos on El Faro Road. As the vehicle drove passed one of the Border Patrol units, the agent in the unit observed what appeared to be bundles wrapped in clear cellophane inside the passenger compartment. The Border Patrol Agent then activated his emergency lights and performed a vehicle stop on the vehicle. The vehicle pulled over without incident and the driver, Francisco Julian TREVINO, was taken into custody. A search of the vehicle revealed thirty-two (32) bundles wrapped in clear cellophane with what appeared to be marijuana. Once at the Border Patrol station, one of the bundles was tested and it tested positive for marijuana. The marijuana had a total weight of approximately 175 kilograms.

On this same date, Agents from the McAllen Drug Enforcement Administration responded to the Border Patrol Station and made contact with TREVINO. Agents read TREVINO his Miranda Warnings but he did not wish to answer any questions. TREVINO was charged with Possession with Intent to Distribute Marijuana and Conspiracy to Possess with Intent to Distribute Marijuana.
